**With regular consumption,
our lovely companion
may experience the following benefits:**

You may observe a strengthened
immune system, reduced
stool volume and odor, the development
of strong and shiny fur,
maintained urinary and kidney health,
improved digestibility, and a more
dynamic body structure.

Why Choose Felicia: Collagen-Added, Low-Grain, and Hypoallergenic?

To support the natural lifestyle and overall well-being of our beloved pets, our nutrition experts have developed a special hypoallergenic formula with reduced grain content.

Felicia contains highly digestible animal protein sources and is specially formulated to address digestive and allergy sensitivities.

Our formula is also enriched with natural collagen to support healthy skin and joints.

It is completely free from beef, dairy, wheat, soy, potatoes, artificial sweeteners, colorants, chemical flavors, and GMOs — all of which are commonly associated with allergic reactions.

With regular consumption, our beloved friend's.

With regular consumption, you may observe a strengthened immune system, reduced stool volume and odor, a shiny and healthy coat, protection of urinary tract and kidney health, improved digestibility, and a more energetic body structure.
